

## I'd want an Online Stockbroker that.....

- Offers flexible brokerage rate.
- Offers free access to Technical Charting tools.
- Offers free efficient financial analysis information tools.
- Enjoys high interest rate on my unutilized deposit in the Trust account.
- Provides trading ideas and strategies to improve my trading position.
- Provides friendly customer service and dedicated Dealer's Representative to take care of my interest.
- Offers me timely report on market outlook and stock recommendations.
- Sets me apart from the crowd with timely business news like DowJones Newswires.
